This is a summary of drug and health services covered by Wellcare Patriot Giveback (HMO-POS) and Wellcare Assist (HMO) from January 1, 2022 to December 31, 2022.

This booklet will provide you with a summary of what we cover and the cost-sharing responsibilities. It does not list every service, limitation, or exclusion. A complete list of services can be found in the plan's Evidence of Coverage (EOC). You can find the Evidence of Coverage on our website at www.wellcare. Con, you may call us to ask for a copy at the phone number listed on the back cover.

Who can join?

To enroll in one of our plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party.

Health Maintenance Organizations (HMOs) are health care plans offered by an insurance provider with a network of contracted healthcare providers and facilities. HMOs generally require members to select a primary care provider (PCP) to coordinate care and if you need a specialist, the PCP will choose one who is

also in our network.

Health Maintenance Organizations-Point of Service (HMO-POS) plans are HMOs which, under certain circumstances, allow members to get care out-of-network, often at a higher cost-share than those provided from in-network providers. Out-of-network providers may choose not to bill our plan and may ask you to pay for services up front. If this happens, you can fill out a claim form and submit it to us with a copy of the bill and any documentation you have about payments you have made. Out-of-network/non-contracted providers are under no obligation to treat Wellcare Patriot Giveback (HMO-POS) plan members, except in emergency situations. Please call our member services number or see your Evidence of Coverage for more information, including the cost- sharing that applies to out-of-network services.

Our plans give you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider directory or, for an up-to-date list of network providers, visit www.wellcare.com/medicare. (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor our plan will be responsible for the costs.)

Our plans also include prescription drug coverage and access to our large network of pharmacies. Our plans use a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Patriot Giveback (HMO-POS) and Wellcare Assist (HMO) have a network of doctors, hospitals, pharmacies, and other providers. You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. With some plans if you use providers that are not in our network, your share of the costs for covered services may be higher.

You can see our plan's provider and pharmacy directory and for plans with prescription drug coverage, our complete plan Formulary (list of Part D prescription drugs) on our website at www.wellcare.com/medicare.
