Who can join?

To enroll in one of our plans, you must be entitled to Medicare Part A, be enrolled in Medicare Part B and live in our service area. Members must continue to pay their Medicare Part B premium if not otherwise paid for under Medicaid or by another third party. To be eligible, the beneficiary must also be a United States citizen or lawfully present in the United States.

If you want to know more about the coverage and costs of Original Medicare, look in your current "Medicare & You" handbook. View it online at <u>www.medicare.gov</u> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.

Health Maintenance Organizations (HMOs) are health care plans offered by an insurance provider with a network of contracted healthcare providers and facilities. HMOs generally require members to select a primary care provider (PCP) to coordinate care and if you need a specialist, the PCP will choose one who is also in our network.

Our plans give you access to our network of highly skilled medical providers in your area. You can look forward to choosing a primary care provider (PCP) to work with you and coordinate your care. You can ask for a current provider and pharmacy directory or, for an up-to-date list of network providers, visit <u>www.wellcarecomplete.com</u> for Wellcare Complete - Giveback (HMO), <u>www.</u> <u>wellcarecomplete.com</u> for Wellcare Complete No Premium (HMO), or <u>www.wellcare.com/allwellks</u> for Wellcare No Premium (HMO). (Please note that, except for emergency care, urgently needed care when you are out of the network, out-of-area dialysis services, and cases in which our plan authorizes use of out-of-network providers, if you obtain medical care from out-of-plan providers, neither Medicare nor our plan will be responsible for the costs.)

Our plans also include prescription drug coverage and access to our large network of pharmacies. Some of our network pharmacies have preferred cost-sharing. You may pay less if you use these pharmacies. Our plans use a formulary. Our drug plans are designed specifically for Medicare beneficiaries and include a comprehensive selection of affordable generic and brand name drugs.

Which doctors, hospitals and pharmacies can I use? Wellcare Complete - Giveback (HMO), Wellcare Complete No Premium (HMO) and Wellcare No Premium (HMO) have a network of doctors, hospitals, pharmacies, and other providers. You can save money by using our preferred mail-order pharmacy and by using providers in the plan's network. With some plans, if you use providers that are not in our network, your share of the costs for covered services may be higher.

You can see our plan's provider and pharmacy directory and, for plans with prescription drug coverage, our complete plan Formulary (list of Part D prescription drugs) on our website. For Wellcare Complete - Giveback (HMO), you can find it at <u>www.wellcarecomplete.com</u>. For Wellcare Complete No Premium (HMO), you can find it at <u>www.wellcarecomplete.com</u>. For Wellcare No Premium (HMO), you can find it at <u>www.wellcare.com/allwellks</u>.

Generic drugs may be covered on tiers other than Tier 1 and Tier 2. Please check the plan's Formulary to validate the specific tier on which your drugs are covered.

Cost-sharing may differ based on point-of-service (mail-order, retail, Long Term Care (LTC)), home infusion, whether the pharmacy is in our preferred or standard network, or whether the prescription is a short-term (30-day supply) or long-term (100-day supply).

Excluded Drugs:

Wellcare Complete - Giveback (HMO), Wellcare Complete No Premium (HMO), and Wellcare No Premium (HMO) includes enhanced drug coverage of certain excluded drugs, such as Tier 1 folic acid, vitamin B12, vitamin D2, generic-only sildenafil and vardenafil. Generic sildenafil and vardenafil have a quantity limit of six pills every 30 days.

Because these drugs are excluded from Part D coverage under Medicare, they are not covered by Extra Help. Also, the amount you pay when you fill a prescription for these drugs does not count toward qualifying you for the Catastrophic Coverage Stage.

Please see your Formulary and Evidence of Coverage for details regarding this drug coverage.

Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a Customer Service representative at 1-844-917-0175 (TTY: 711). Hours are Monday - Sunday, 8 am - 8 pm (all time zones).

Understanding the Benefits

- The Evidence of Coverage (EOC) provides a complete list of all coverage and services. It is important to review plan coverage, costs, and benefits before you enroll. Visit www. wellcarecomplete.com for Wellcare Complete Giveback (HMO), www.wellcarecomplete.com for Wellcare Complete No Premium (HMO), or www.wellcare.com/allwellks for Wellcare No Premium (HMO) or call 1-844-917-0175 (TTY: 711) to view a copy of the EOC. Hours are Monday Sunday, 8 am 8 pm (all time zones).
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicine is in the network. If the pharmacy is not listed, you will likely have to select a new pharmacy for your prescriptions.
- □ Review the formulary to make sure your drugs are covered.

Understanding Important Rules

- □ In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- □ Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.
- □ Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
- □ For HMO, CSNP and DSNP plans: Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Wellcare is the Medicare brand for Centene Corporation, an HMO, PPO, PFFS, PDP plan with a Medicare contract and is an approved Part D Sponsor. Our D-SNP plans have a contract with the state Medicaid program. Enrollment in our plans depends on contract renewal.

Out-of-network/non-contracted providers are under no obligation to treat Plan members, except in emergency situations. Please call our Customer Service number or see your Evidence of Coverage for more information, including the cost-sharing that applies to out-of-network services.
