UPMC *for Life*
UPMC Health Plan Medicare Program

Get started with UPMC for Life.

Here is a summary of what our plans cover and what you pay for care. These benefits are effective Jan. 1, 2023 – Dec. 31, 2023. This booklet does not list every service that we cover or list every limitation or exclusion. To get a complete list of services we cover, you can review the plan Evidence of Coverage online at www.upmchealthplan.com/medicare/shop/ or call us to have your Evidence of Coverage mailed to you.

With UPMC for Life you can choose from plans that cover everything Original Medicare covers, plus more!

If you want to know more about the coverage and costs of Original Medicare, look in your current **“Medicare & You” handbook** that you received in the fall. You can view it online at www.medicare.gov or get a copy by calling **1-800-MEDICARE (1-800-633-4227)**, 24 hours a day, seven days a week. TTY users should call **1-877-486-2048**.

This book includes HMO (Health Maintenance Organization) plans. This means you choose from doctors, specialists, and hospitals in our network to get your care. This does not apply to an emergency or urgent care situation.

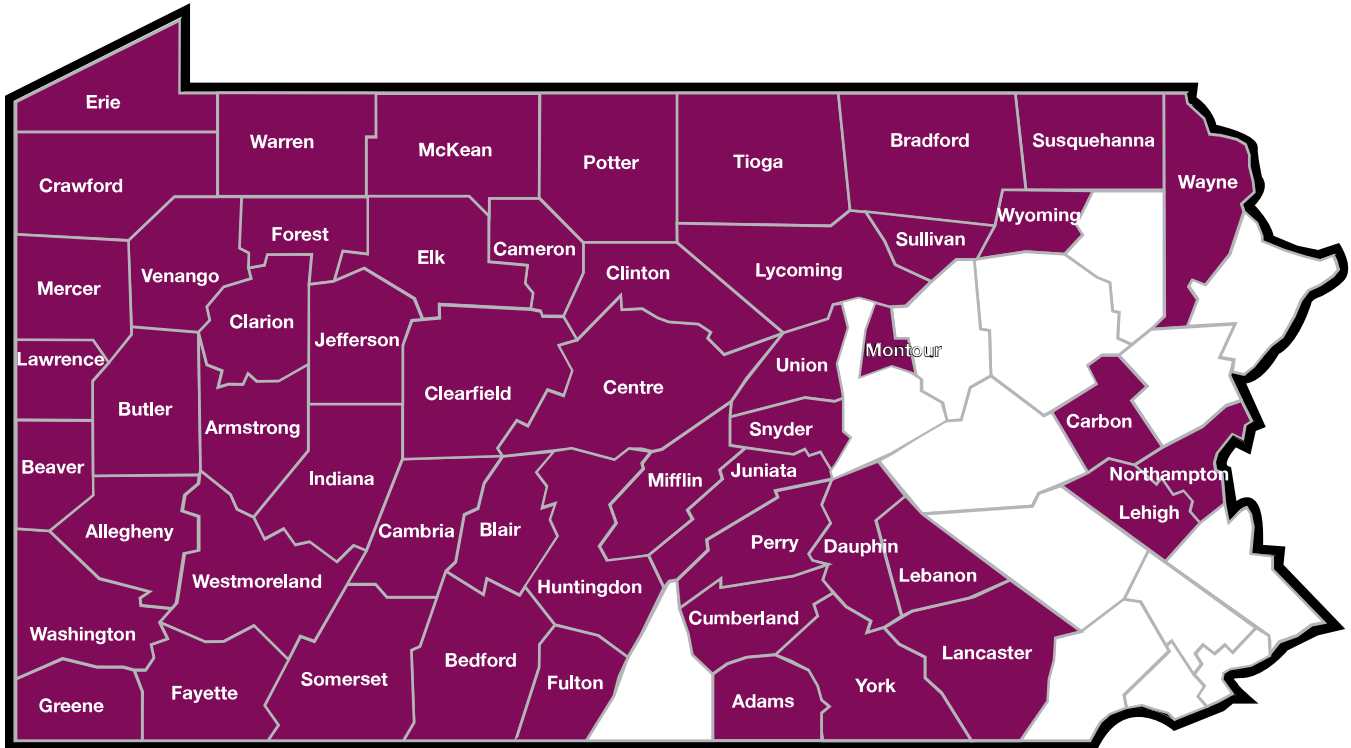

To search for your providers in our network, scan this QR code to visit upmchealthplan.com/find.

All plans in this book include prescription drug coverage. Please refer to the Part D information on page 17 to review your coverage and costs for prescriptions.

Prescription Drug Costs

There are four stages of the Part D benefit. The amount you pay for your drugs may change as you move through these different stages. **Your costs can also depend on the pharmacy you use and what tier your drug is.**

1

Part D Deductible stage

Our plans do not have a deductible for Part D prescription drugs. This stage does not apply to our plans.

2

Initial Coverage Stage

You pay the copays below until your total yearly costs reach **\$4,660**. The total yearly drug costs are the drug costs paid by both you and your Part D plan. **Most people will stay in this stage for the entire year.**

| Tier | 30-Day Supply | | 90-Day Supply | | | |
|------------------------------------|--------------------|-------------------|--------------------|-------------------|--------------------------|--------------------------|
| | Retail | | Retail | | Mail-Order | |
| | Preferred Pharmacy | Standard Pharmacy | Preferred Pharmacy | Standard Pharmacy | Preferred Pharmacy | Standard Pharmacy |
| Tier 1 Preferred Generic | \$0 | \$15 | \$0 | \$30 | \$0 | \$30 |
| Tier 2 Generic | \$10 | \$20 | \$20 | \$40 | \$20 | \$40 |
| Tier 3 Preferred Brand | \$47 | \$47 | \$129.50 | \$141 | \$117.50 | \$141 |
| Tier 4 Non-Preferred | \$100 | \$100 | \$300 | \$300 | \$300 | \$300 |
| Tier 5 Specialty | 33% | 33% | Not offered | Not offered | 33% (30-day supply only) | 33% (30-day supply only) |
| Covered Insulins | \$35 | \$35 | \$96.25 | \$105 | \$87.50 | \$105 |

If you reside in a long-term care facility, you pay the same copay as you would at a preferred retail pharmacy for a 31-day supply.

3

Coverage Gap Stage (Donut Hole)

You pay up to **25%** of the plan's cost for brand-name and generic drugs plus a portion of the dispensing fee. You remain in this stage until your out-of-pocket costs, as well as any manufacturer's discount payments provided for brand-name drugs, reach **\$7,400**. After that, you move into the Catastrophic Coverage Stage.

With the UPMC *for Life* HMO Rx plan you have additional coverage for generic drugs in Tier 1 and Tier 2 while in the Coverage Gap Stage. You will continue to pay the same drug copays in the Coverage Gap Stage for Tier 1 and Tier 2 generic prescription drugs that you paid in the Initial Coverage Stage. For all other drugs, the coverage gap discount listed in the first paragraph applies.

4

Catastrophic Coverage Stage
