Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. UNDERSTANDING IMPORTANT RULES

In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.

Benefits, premiums and/or copayments/co-insurance may change on January 1, 2025.

Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).

Effect on Current Coverage. If you are currently enrolled in a Medicare Advantage plan, your current Medicare Advantage healthcare coverage will end once your new Medicare Advantage coverage starts. If you have Tricare, your coverage may be affected once your new Medicare Advantage coverage starts. Please contact Tricare for more information. If you have a Medigap plan, once your Medicare Advantage coverage starts, you may want to drop your Medigap policy because you will be paying for coverage you cannot use.
